IEEE Region 6 Southwest Area 2015 Student Poster Contest

Date:
18 April 2015

Time:
10:00 to 13:00

Location:
San Diego State University

College of Engineering

Call for Participation

To enter, please register with Dr. Xun Luo at Xun.Luo@ieee.org by April 12.

Entries of both technical projects and or significant student branch activities are welcome.

Awards to best poster and display of technical project and/or significant student branch activities.

■   Judging will be based upon poster and any reasonable supporting activities (live demonstration, video, etc.) provided in support of the poster presentation.

■   Entries must be from student members of branches located within IEEE Region 6 Southwest Area.

■   Multiple student technical project entries allowed from each branch. At most one student branch activity project entry from each branch is also welcome.

■   Entries should supply student name, branch, member number, and project title.

■   Posters can be printed for you and set up at the meeting if you supply file. Submit poster pdf that is sized no higher than 36" to xun.luo@ieee.org. Students may also register to reserve display space and bring their already-printed poster.

This contest is part of the IEEE Region 6 Southwest Area 2015 Spring Meeting.
